Sir:

On May 14, 2010, an Amendment was filed via the EFS Web with a fee calculation sheet that incorrectly calculated the number of excess claims. The fee calculation sheet filed calculated 59 excess claims at \$52/claim over 20 (large entity rate). The correct number of claims in excess of 20 is 41. The amendment filed cancelled claims 1-18 and added claims 19-79. The correct amount that should have been charged is \$2132. We paid \$3068 via EFT. We ask for the credit of \$936 to our deposit account No. 07-1730.

If you need any additional information or anything else, please contact our office.
